How Valuable Is Your Time?

A local move is going to take a few days at the very least you should be aware of this. With this in mind, you need to set aside this time and dedicate it for nothing but the move.

This means that you will spend a few days boxing, wrapping, loading, unloading, unboxing and unwrapping, the same items. What is more, if something happens during the transit and you aren't covered by an insurance policy, you can pretty much lose all of your precious belongings.
