The Ultimate Packing Check List **Tampa Local Movers** Need

Let's face it moving is no treat for anyone, but if you pack up your current home properly and organized, then when you hire **Tampa Local Movers** to haul your belongings to your new home, it is much easier to unpack everything. Remember labeling is key for movers to know which room to bring the boxes to.

Simply start out at least a couple of weeks before the **Tampa Local Movers** are due at your door. Begin packing items that are not used every day or that are out of season. Move backwards from things such as recreational gear and out of season clothing to your ever day items such as toiletries and dishes.

The **Tampa Local Movers** will wrap larger items such as dressers and appliances to prevent damage, but small

delicate items and things that may leak or spill need to be properly boxed and shipped that way.

Delicate and Fragile Items

To help prevent damage and costs incurred to **Tampa Local Movers** prepare the boxes with padding on the bottom with bubble wrap or newspapers. For clothing and other non-fragile items place only in securely sealed boxes designed to handle the weight of the items.

Make sure to label each box of fragile items as such and keep the box open for inspection purposes by the moving crew. It is better for them to have a look that everything is secure and not damaged before the move in the even something happens during the move making it easier to prove who caused the damage.

Packing

You should box up each room separately to stay organized and properly label each box per room so **Tampa Local Movers** can easily see which room to place it in. When you are packing up each room make sure to securely pack each box but not to overload the boxes. Keep in mind we offer FREE boxes, so pack away.

The more organized you pack, the easier your unpacking and the ability for **Tampa Local Movers** to place each box in its exact location. Properly boxing everything in your home will help prevent damage and make the move that much better for all involved.
